

Train in your classroom or ours, or at 950 other locations. Introducing the Immediate® Mobile Learning Center.

Our on-site Immediate® training just got better. And easier. We can now bring the classroom to you when and where you want it, complete with state-of-the-art laptop computers for every participant.

Don't have classroom space in your office? No problem. We can provide a convenient, local classroom, with high speed Internet at more than 950 locations in 400 cities, worldwide. It's your choice. We provide everything you need to succeed with Immediate. Contact your account manager for more information.

The Immediate Mobile Learning Center is powered by Dell Vostro laptop computers.
